SUPPORT SOCIAL RESPONSIBILITY

Care2u, is dedicated to enhancing the health of our communities by breaking the barriers between oral and overall health by delivering diagnostic, preventive, and non-surgical periodontal oral care services with compassion and care to under-served populations.

Regular oral health exams can uncover early signs of serious conditions such as compromised airways, heart disease, diabetes, and even certain cancers. Routine dental visits play a crucial role in early detection, enabling timely medical intervention and improving overall health outcomes.

Tooth decay is the #1 preventable disease in the world. For many low-income and minority children, treatment is out of reach, leaving them to endure daily pain, tooth loss, and the risk of dangerous infections. Care 2 U bridges that gap by bringing no-cost dental care directly to those in need, ensuring access to essential treatment and relief.

Our portable dentistry program delivers measurable results to the communities we serve. When you become an individual or corporate sponsor, you are impacting the lives of the veterans, youth, and communities we serve. **ADDED BONUS**, our corporate sponsors enjoy **TAX FREE MARKETING** and exposure opportunities as we share the impact their sponsorship has made.

Choose your sponsor level, sign below, and let's make things happen!
